Be Inspired...

Stratton Glass & Windows has been trading in Norfolk and Suffolk since 1979.

Based on the Norfolk and Suffolk boarder we specialise in installing windows, doors and conservatories.

We install uPVC windows and aluminium windows. Alongside this we supply & install aluminium and uPVC french doors, sliding patio doors and bifold doors.

We offer a range of front and back doors including uPVC doors and composite doors including the Solidor composite door.

We supply & install conservatories and orangeries, including the latest in styles and technologies. This includes tiled solid roof conservatories, loggia conservatories and Ultrasky orangeries.

We haven't forgotten our roots as we still provide a glass replacement service including single glazing, splash-backs, balustrades etc. We take pride in our products and we hope you like them too.
